

## **TUG HILL BLUEGRASS FESTIVAL CAMPGROUND POLICIES**

1. We regret because we do not have a campground permit that we are unable to open the campgrounds before 9:00 am on the Friday morning of the festival. All campers must exit the grounds by 9 pm Sunday evening so we can stay within our 60 hour annual camping limit as mandated by the state. In return, the NYS Health Department does not inspect our campground and allows us to maintain independence and freedom as a festival. Please respect our policies and we apologize for any inconvenience. Overnight parking prior to festival week-end may be available at one of the shopping plazas in town or the Lowville Mennonite Church parking lot. Please call 315-376-2640 for more information.
2. We no longer supply fire rings or firewood. Small campfires with someone attending to them are permitted in the campground area.
3. All pets must be contained in campground area and on a leash at all times. No pets (other than service animals) are permitted in concert area.
4. No alcohol in concert area and no display of alcohol in campgrounds.
5. In addition to Porta-Jons dispersed throughout the grounds, there is running water and a bathroom in the maintenance barn by the road and one bathroom/shower combination each for men and women in the middle building at the back of the property. Water in all buildings is safe and potable. We ask that traffic into the main manor house for the indoor bathrooms be limited to handicapped and/or senior citizens needing those facilities.
6. While a dumpster is on the grounds, it is too small to hold everyone's garbage from the week-end. Please take your garbage with you if possible.
7. We have added campground space this year. Our campground area is on firm level ground and holds up very well in rainy conditions. Special handicapped camping areas are located on the cinder horse track behind the performance tent.
8. Several drivers on golf carts are available to transport to and from concert area. Just give them a wave and they'll come get you.
9. Please use good judgment and be kind to your neighbors if you plan on holding a parking lot picking session. There are several buildings on the property and any of them may be used after hours for picking.
10. Again, because of no campground permit, we have no electrical or water hook-ups or dump stations. All camping is free with a week-end ticket.

We have a reputation of having a very friendly staff. If you encounter any problems, please see someone at the gate, the festival promoter (Keith Zehr), or a member of the Atkinson Family Band. We believe bluegrass fans are the best and we are here to help!

**YOU WILL NOT REGRET COMING TO TUG HILL. WE HOPE TO SEE YOU!**
